

**Week Three Email: #3**  
**From Campaign Coordinator**

You're amazing!

When the world around us feels a bit unsettled, and as a company we come together and ask for your support as a Donor for United Way of Northern Arizona - there you are!

With \_\_\_\_# employees who have contributed so far, those most in need in our community will be supported.

It's like a silver lining in this time of crisis that we get to be a part of.

Kind and generous support multiplying as we each give what we can so that organizations in our community that feed the hungry, educate our children, provide shelter, social and emotional support can continue their vital work.

We have one more week to hit our United Way Goal of \$\_\_\_\_\_ amount. **Fill your Companies Goal here**

If you haven't yet joined us as a donor in this important community campaign, I hope you will do so now.
