step UP for our Youth

Investing in the Power and Potential of Successful, Resilient Youth ages 0-18.

United Way of Northern Arizona brings people together so that we are Leading the Way. Together we can: Tackle the big challenges in *early childhood development*, such as making sure that families have access to affordable, high-quality preschools and childcare. Promote *positive youth development*, including a focus on mental health and wellness, so our teens can build resiliency and reach their full potential. Ensure the *basic needs of safety and security* are met for all who live in northern Arizona by directing resources where they are needed most, quickly and efficiently.
