

**Post 1:**

United Way of Northern Arizona is 'Leading the Way' with bold solutions to step up for our youth and our communities in Coconino, Navajo, and Apache counties.

UWNA brings people in the community together to tackle the big challenges in our region, from early childhood development and positive youth development to meeting the basic needs for safety and security for all who call northern Arizona home. 🏠

With support from all of us, we can direct resources swiftly and efficiently to where they're needed most. ▶️

I'm a supporter of UWNA's annual campaign, and I'd love for you to join me!

Together, we can Lead the Way to a brighter future for all. ☀️
