UNITED is the WAY

United Way of Northern Arizona mobilizes our communities to improve conditions for all.

Our Step Up for Youth initiative tackles big challenges - from childhood literacy and kindergarten readiness to mental health and teen leadership - so our children can reach their full potential.

We support education, tools and job training programs so that our neighbors can have financial freedom and peace of mind as they build a stronger future for themselves and their families.

Helping families meet basic needs like safe housing and adequate food enables them to move from day-to-day existence to planning for a positive future.

In times of emergency - including wildfires, pandemics and government shutdowns, we marshal resources and volunteers to help meet the immediate needs of the community.
